

Are you interested in making a difference in your community!?

The Michigan Association of United Ways AmeriCorps program is looking for team players who will commit one year of national service to serve Michigan residents statewide as a Financial Empowerment Coach. Currently, we have a membership position available in your community serving at Goodwill Industries of Southwestern Michigan! Our AmeriCorps members provide Financial Empowerment services under the direction of our local Site Supervisor.

If you have strong customer service skills, are proficient in computer work, are financially savvy, have a strong desire to serve for one year, and/or are considering a career in the nonprofit field, this may be the opportunity you've been waiting for!

Our program provides a \$12,100 living allowance, a \$5,550 education award, health and childcare benefits, travel opportunities, and an opportunity for professional development. The Michigan Association of United Ways has a strong commitment to diversity and is an Equal Opportunity/Affirmative Action employer, providing equal opportunities to all those qualified without regard to race, ethnicity, religion, national origin, gender, age, marital status, disability, or sexual orientation.

If you are interested in the exciting possibilities offered, please send your resume and cover letter to:
